Supporting Those in Most Need

Camp Chapel has a long history of living out the mission of "To worship, make disciples and serve." I am repeatedly in awe of our congregation's spirit providing for the needs of others when those needs present themselves.

The Finance Committee and Church Council closely monitor our funds to ensure they align with our most immediate and pressing ministry needs. When donations are made to our church, whether in memory of a lost loved one, in honor of a person or event, or simply to support those less fortunate than us, the giver often specifies the ministry or fund to which the gift should be credited. We are reaching out currently to build awareness of where we are most in need of these generous donations.

Several ministries, including the Food Pantry and Children and Youth Ministries, are currently enjoying healthy account balances, while others have depleted nearly all funds donated or appropriated to them. Below is a current list of our ministries and other accounts most in need of additional funds, as well as information about these ministries. If you feel led to donate to Camp Chapel beyond your already generous tithing/offering, please consider specifying one or more of these accounts.

- Community Assistance Ministry: supports the Furniture Ministry by purchasing mattresses and bedding for newly housed individuals, and provides financial assistance for particular situations brought to a congregant (e.g., paying a BGE bill to prevent service shut-off).
- Domestic Missions Ministry: provides $100 monthly to the Streets of Hope shelter to assist unhoused men with security deposit/first month's rent, supports projects of the Baltimore Christian Work Camp and donates to the Society of St. Andrews and mission projects completed by our volunteers.
- Memorial Fund: Finance Committee and Church Council designate the use of donated funds for projects that sustain and improve the work of our church and the buildings and grounds, along with Trustees and Capital Funds.
- Pillow Ministry: funds the purchase of batting and labels for pillows made by our volunteers and presented to cancer and cardiac patients.
- Streets of Hope: assists this ministry in providing shelter and sustenance for unhoused men during the school year and meals for families in summer.

Thank you for being witnesses to the glory of Christ our Lord, and for helping Camp Chapel remain a beacon in our community. Please feel free to reach out if you have questions or suggestions.

RECOGNITION TREE

Again this year, Camp Chapel will be selling leaves on our Recognition Tree in the narthex of the sanctuary. This is an opportunity for a remembrance in honor, memory, or recognition of our loved ones. The fundraiser began October 1 and will continue until the end of December, at which time all dedication forms will be sent out for engraving. Each leaf can hold up to four lines of text with 20 characters per line including letters, spaces, and punctuation. Dedications are available at $250 for each leaf. Forms will be available at the entrances to the church and from the office. Please make all checks out to Camp Chapel UMC. Turnaround time will take about 2-3 weeks from the time the company receives the orders. Each engraved leaf will replace a blank leaf so that the tree will always look complete.

100% of the proceeds go to the Endowment Fund so please consider this unique way of honoring those who have made a lasting impression in your life.

PASTOR APPRECIATION SUNDAY

On October 4, the Camp Chapel congregation observed Pastor Appreciation Sunday, taking time during each service to honor and celebrate our new spiritual leader. We wanted Pastor Laurel to know how deeply we appreciate her contributions and support her ministry at Camp Chapel. Members signed cards at each service, and Pastor Laurel received flowers, a gift from her registry, and a restaurant gift card.

If you were unable to join us, please take a moment to share your heartfelt thanks and appreciation with Pastor Laurel.

HONORING OUR VETERANS

We are planning to honor and recognize all military veterans who attend our worship services on Sunday, November 8. We need the help of the congregation to plan the veteran recognition part of the worship services on November 8. Please submit the names of veterans who are planning to attend a worship service on Sunday, November 8. The submission should include the branch of military in which they served and a brief description of their service. For your convenience, forms will be attached to Sunday bulletins and are also available in the church office. Completed forms should be placed in Allen Zink's church mailbox by Sunday, November 1.

WREATHS ACROSS AMERICA

In 1992, Morrill Worcester and the employees of Worcester Wreath in Harrington, Maine found themselves with a surplus of wreaths nearing the end of the holiday season. Remembering a visit to Arlington National Cemetery when he was 12 years old, Worcester realized he had an opportunity to honor our country's veterans. With the aid of Senator Olympia Snowe, arrangements were made for the surplus wreaths to be placed in one of the older cemetery sections at Arlington National Cemetery.

For over a decade, this annual tribute went on quietly and privately. In 2006, the wreath-laying ceremonies spread to over 150 locations across the country. In 2007, Wreaths Across America was formed to support others around the country who wanted to conduct veterans' wreath-laying ceremonies.

The Wreaths Across America program continued to grow and in 2025, over 3 million veterans' wreaths were placed on headstones of our nation's service members at 5,598 participating locations. Millions of volunteers helped place veterans' wreaths on headstones.

Camp Chapel United Methodist Church will participate in the Wreaths Across America program this year. We are planning a veterans' wreath-laying ceremony in our cemetery on Saturday, December 19 at 10:00 am. We will honor the memory of the 39 veterans who are buried in our cemetery during that ceremony. We will invite families of the veterans to participate in the wreath-laying ceremony. In addition, volunteers will be needed to help to place veterans' wreaths on headstones. Please contact Allen Zink if you are interested in volunteering to help with our Wreaths Across America project.

You can find more information about the Wreaths Across America program on their website: www.wreathsacrossamerica.org.

GROWING TOGETHER

CAMP CHAPEL'S 2026 GARDEN FRESH VEGETABLES

This year our Streets of Hope garden thrived! We were able to provide their ministry with many fresh vegetables (squash, zucchini, egg plants, red and green peppers, jalapeño peppers, cucumbers and tomatoes. We made sooooo many loaves of zucchini bread (which is their favorite), some veggie casseroles, sweet and sour cucumbers and tomatoes, and apple salads. We enjoy gardening and hope to continue as long as we can.

Blessings,
Don and Tammy Stipek

FALL LEAF CYCLING

As fall arrives, the leaves fall. Did you know you can find good use for your leaves by leaf cycling? Leaf cycling, or nutrient cycling, refers to the natural process by which nutrients in leaves and other organic matter are broken down and recycled within ecosystems. When leaves fall to the ground, they decompose, releasing essential nutrients like nitrogen, phosphorus, and potassium back into the soil. Plants take up these nutrients, supporting their growth and development. Leaf cycling plays a crucial role in maintaining the health and productivity of ecosystems by ensuring a continuous supply of nutrients for plant life. Leaf cycling is as simple as spreading shredded or chopped leaves as a layer of mulch over garden beds. This helps retain soil moisture, suppress weed growth, and as the leaves break down, they release nutrients into the soil. Talk to Rita and our gardeners for additional Fall Garden tips.

Blessings,
Camp Chapel Creation Care and Gardening team.

THE DEER CREEK CHORALE CHAMBER CHOIR

Camp Chapel sponsored a concert by the Deer Creek Chorale Chamber Choir on Sunday October 4 in the Sanctury. The concert was titled "We are the Music Makers" and proved to be an outstanding concert that was enjoyed by a very receptive audience. Ryan Wilson, a tenor in our Chancel Choir, had a beautiful solo in one of the works. I was extremely pleased with not only the quality of the program, but also with the attendance.

One person that I would be remiss if I didn't mention, the accompanist Lori Geckle. It was such a pleasure to hear her play. I love it when I hear such feeling and emotion in the music. Thanks to all who attended the concert.

YARD SALE SUCCESSFUL DESPITE WEATHER

The October 3, 2026, yard sale is in the books! It was a rainy, drizzling day until around 10:30. The vendors took it in stride and we joked about how the weatherman is the only job you can be wrong 50% or more of the time and still collect a paycheck! The traffic was steady with a couple of early bird shoppers showing up at 6:30 ready to dig into unpacked boxes! They certainly weren't going to let a little rain dampen them finding treasures! I had a lot of well wishes for retirement from many long-time vendors and thank you's for running the yard sale for so long and being so organized. Maybe they should come to my house and look in my basement to see truly unorganized chaos! Just kidding, but Camp Chapel should take pride because many vendors have said this yard sale is the best run one that they participate in and that's why they come back year after year!

The food table sold out of hot dogs and baked goods and they made around $780 even in the rain!

The White Elephant Table made $300 – Thank you Anita!

Camp Chapel Film Seminar Presents:
Saturday, November 21, 6 pm Via Zoom

Golden Pond is the summer home of feisty Ethel and her husband Norman, a retired professor having trouble dealing with his advancing age and beginning to show signs of dementia. Norman has an uncomfortable relationship with his daughter Chelsea, but this summer he and Ethel agree to care for Billy, the son of Chelsea's fiancé. How does a dad connect with a daughter when the two can't talk for two minutes without getting into an argument? Can an octogenarian meaningfully relate to a thirteen-year-old?

On Golden Pond (1981), directed by Mark Rydell and starring Henry Fonda, Katharine Hepburn, Jane Fonda, and Doug McKeon, has a running time of 109 minutes.

CHURCHES FOR STREETS of HOPE

Bits and Pieces

Sadducees and Pharisees and Scribes, (Oh My!)

In the Gospels, Jesus is recorded as having had confrontations with groups of Sadducees, Pharisees, and Scribes, particularly after he entered Jerusalem near the end of his ministry. When reading about these, it occurred to me that I had never asked one important question: Who are those guys?

It seems obvious that these groups were all part of the religious leadership in first century Judea, but that was about the extent of what I knew. So, I did some digging.

The Sadducees – Their name is an Anglicization of the Koine Greek term *Saddukaioi*, meaning Zadokites, indicating that they traced their roots back to Zadok, the first High Priest to serve in King Solomon's temple. They claimed their authority from Zadok. Theirs was one of two main schools of religious and cultural thought, and they were in conflict with the other main school, the Pharisees. Little is known about their beliefs because none of their writings has survived, but a few things can be inferred from the Gospels and what their cultural, religious, and political enemies wrote about them. They maintained the Temple in Jerusalem and held that the Temple was the only legitimate place of worship. They did not believe that there would be a resurrection of the dead, nor did they believe in angels. They held that the Written Torah, the first five books of the Hebrew Bible, was the only holy Scripture. Before the Romans conquered Judea, they supported Hellenization, the adoption of Greek ideas and customs. They were upper class and the sect that most of the wealthy and elite in Judea supported. Sadducees formed a majority of the members of the Sanhedrin, the Judean equivalent of our Supreme Court. After the destruction of the Second Temple in 70 A.D., they quietly went extinct.

The Pharisees – Their name means "Separated Ones," (some historians disagree with that meaning). They claimed that their authority came from Moses. They resisted Hellenization. They were instrumental in the development and acceptance of synagogues as places to worship God. They believed in and followed the laws of the Written Torah, but also accepted the authority of the Oral Torah, the writings of teachers and prophets, that the Sadducees rejected. They came from, and were very influential among, the common people. They believed in angels and in the resurrection of the dead. They were considered experts of Jewish law and applied it to all aspects of Jewish life. The Pharisees supported the Roman occupation of Judea and opened the gates of Jerusalem to them, hoping that Pompey, the leader of the Roman conquering army would dispose of the Sadducees and restore the old priesthood. Pharisees were a minority in the Sanhedrin. After the destruction of the Temple, the Pharisees' beliefs gradually evolved into the form of Judaism practiced by most Jews today.

The Scribes – They were men who were trained to write, and originally their job was to transcribe the law and read the Torah in the synagogue. By Jesus's time, they had evolved into interpreters of the law, and they were considered to be very learned men.

Sadducees, Pharisees, and Scribes were in constant conflict with one another, but there was one thing they all could agree on: they all saw Jesus as a threat and strove to discredit him.

September 14, 2026

Thank you for your generous gifts to Churches for Streets of Hope on 9/10/2026.

We are very grateful for your gift of men pants, blankets and snacks. This makes it possible to carry out our important mission of providing shelter, food, clothing and other vital services to those experiencing homelessness.

Because you care, men are receiving the critical care they need in our shelter during the cold weather months. Also, through our Community Care Center, both men and women can take advantage of the resources we offer. These folks share my gratitude for all you do and the blessings you have made possible. With your help we will continue to make a difference in the lives of people experiencing homelessness.

Support fe4om donors is essential for our work. Our ministry depends on the generosity and compassion of people like you. May God bless you for your caring and concern. We promise to be good stewards for your thoughtful gift.

In sincere appreciation,
Otis Trawally
